Leadership Skills

My charisma, knowledge and enthusiasm inspires others to be their best through my courageous acts of honor and respect. I will strive to inspire confidence and represent a strong example of what needs to be aimed for.

Character Development

I am sincere, respectful, well-mannered, dependable and a trustworthy friend who stays true to my morals. Good character comes from within, I show inner strength of spirit as well as right action.

Martial Arts Athlete

I train hard and eat healthy to become fast, powerful, agile and flexible. I aim for excellence. I possess a love for the art that keeps me committed to achieving greatness.

Knowledge is Power

I focus and study passionately to educate myself and become skilled in many subjects, as a result my full potential or abilities in life will certainly increase.

Proverbs 24:5: "A wise man has great power, and a man of knowledge increases strength."

Positive Self Esteem

Positive self-esteem gives you the courage to be your own person, believe in your own values and make a the right decision when the pressure is on.

SUCCESS- if you keep trying and doing your best, you are a success.
